

Smuggler's Lantern

Smugglers used to rely on other people's lanterns to tell them if there were people out searching for them to arrest them.

1. Fold along the blue lines
2. Cut along the black lines on the next page
3. Stick together along red lines
4. Cut out and attach the handle on top of the lantern from this page →
5. By painting a toilet paper tube orange, red and yellow and placing inside the lantern it looks like it really is burning!
